

Law Enforcement Disability Awareness Virtual One Day In-Service Training Options March 23rd, April 19th, May 17th, and June 20th

The First Responder Disability Awareness Training project at Niagara University is pleased to announce four **virtual one-day in-service trainings for Law Enforcement** personnel for the states of **Missouri and South Dakota**.

Developed with input from law enforcement from Virginia, South Dakota, Missouri and New York, this training both sensitizes and educates law enforcement on how to effectively identify, address, and respond to various disabilities they will encounter in their line of duty.

Content includes, but is not limited to, disabilities defined specific to law enforcement, community resources, the Americans with Disabilities Act, Recognize-Identify-Approach-Interact-Response (RIAIR) model, victimization/abuse, etiquette/interaction skills, CIT interface, service animals, and person/identity first language.
